Od dana osnutka naše tvrtke EURO RATAN , I NJENIH BREDOVA RATTANRELAX kao i brenda CHAIRS, A čiji su temelji postavljeni prije 17 godina, uspjeli smo postati marka koja stvara prepoznatljivu razliku u sektoru namještaja zahvaljujući našem iskustvu u proizvodnji profesionalnog Hotelskog aluminijskog namještaja, i inovativnih ideja od kojih su mnoge i patentirane u Zavodu za intelektualno vlasništvo. Upravo zahvaljujući tom iskustvu, znajući unaprijed što želimo, uspjeli smo naći srodne firme sa sličnim inovativnim dizajnima kod naših inozemnih partnera, te spojili u jedno naše ambicije i kontakte iskustva dizajne sa razumijevanjem naših partnera, te tako pružiti besprijeckornu uslugu koju zaslužuju naši cijenjeni kupci.

Naša proizvodnja, započeta 2010. godine u vlastitoj tvornici smještenoj u Puli Hrvatska , prestala je sa proizvodnjom za vrijeme Lock Down Covid, te smo od tada započeli sa partnerima iz Turske, i danas se prostire na impresivnih 25.000 m² suvremenog prostora u Istanbulu . Prenoseći naš prepoznatljivi moderni dizajnerski pristup i na samu arhitekturu naše poslovne zgrade u Puli, 2010. godine u potpunosti smo obnovili cjelokupni kompleks i dali mu današnji tehnološki napredan izgled sa prepoznatljivom crvenom fasadom i izložbenim salonom od 500m² te skladišnim prostorom od 2000m². Pružamo vrhunsku uslugu korporativnim klijentima u brojnim segmentima, s posebnim naglaskom na **HoReCa** sektor (hoteli, restorani, kafići), kao i na opremanje škola, bolnica i drugih javnih ustanova, uspješno provodeći velike i zahtjevne projekte u suradnji s vodećim arhitektonskim uredima. Godišnji kapacitet tvornice u Turskoj od 150 tisuća komada namještaja, omogućava nam da spajamo originalne i aktualne trendove s beskompromisnom kvalitetom. Uz klasične drvene i metalne stolice, nudimo kompletna rješenja po principu "ključ u ruke" (od A do Z) za fotelje, sofe, modularne otomane, barske i uredske stolice, stolove, postolja za stolove te klub stoliće. U svakom aspektu našeg rada pokazujemo odgovornost prema klijentima, pa i našoj naciji i prirodi. Na ovom putu kojim smo krenuli s ciljem da postanemo sinonim u ovoj branši, poštujući i principe tvornice da bude 'tvornica bez otpada', zajednički poduzimamo značajne korake prema održivosti recikliranjem u tvornici svih proizvoda.
